This technical diagram illustrates the exploded view of a bicycle wheel assembly. The central component is the wheel rim, which is shown with a black tire mounted on it. The assembly includes various components such as the hub, spokes, and the rear fender. The diagram is annotated with numerous numbered callouts (1 through 62) that identify specific parts and their assembly sequence. The components are arranged in a way that shows their relative positions and how they fit together. The diagram is presented in a clean, black-and-white style with blue dashed lines indicating the assembly path.
